Lingzie Belle

Did you ask about her T-Rex?

Photographer: Tripodski

Hey Linzie! Welcome to Elite, tell us a bit about yourself: Hey Elite! Thanks very much for having me. Well, I'm a UK Suicide Girl, fire performer, vocal coach, musical theatre director, tea drinker and positive thinker! In a nutshell, that pretty much sums me up!

What was it like to work with Tripodski on this shoot? Ah it was great! He is a wonderful photographer and such a cool guy, and he has a very good taste in music if I may say so!

What's your favourite part of your body and why? It's gotta be the booty - for years when I was growing up I hated my big butt, but now it's all about the curves isn't it! Although buying jeans is occasionally a bit of a challenge haha!

What's your favourite item of clothing? I've got a beautiful floral 50's style swing dress from Little Wings Factory that I'm absolutely obsessed with. I'm not a girly girl by any stretch of the imagination, but I've definitely had a girly moment or three over that dress!

Why modelling? I love the feeling of empowerment it gives me, every woman should feel sexy and confident in the way they look, and that is something that modelling has definitely brought me. Also it's just so fun! I think it's important not to take yourself too seriously and just enjoy the ride!

**WHAT WAS YOUR
FAVOURITE PART
OF THE SHOOT? IT
HAD TO BE ALL THE
SINGING, I CAN'T
SAY I'VE EVER BEEN
SERENADED WHILST
SHOOTING BEFORE!**

How did you come to become a model? I kind of just fell into it! It was around the same time I joined the Chaos Dolls and started fire performing, it seemed like the natural progression. Modelling was always something I was interested in, so I gave it a shot and haven't looked back!

What's your favourite song currently? My favourite band The Cat Empire released their best album to date in 2013, and the title song 'Steal the light' is just breathtaking. I urge anyone who likes summery jazz/ska inspired vibes to give this a listen, it's such a happy tune and can get me from miserable to cheerful in about three seconds!

If you could be any animal, what would you be? That's an extremely tough question! I'd probably be a lion, who wouldn't want to lounge around in the sun all day and be at the top of the food chain? Yep, priorities!

If you could work with any photographer and any model who would it be with? I've had the pleasure of working with some really incredible photographers and models in the last year - some of the best in the industry, and from that I've learned so much! I'd love to work with Danny Desantos, I think he's an incredible photographer. As for models, there are so many wonderful models, male and female, who I've looked up to over the last year, and there are so many new names coming out and taking the industry by storm, it's hard to name just one. It would be an absolute dream to work with Vorpall Suicide - I think she's incredible!

**DESCRIBE YOUR PERFECT PHOTOSHOOT:
I'D ABSOLUTELY LOVE TO SHOOT ABROAD
SOMEWHERE LIKE AUSTRALIA! MAYBE AT THE
GREAT BARRIER REEF AND DO AN AWESOME
UNDERWATER MERMAID-INSPIRED SHOOT!**

Photographer: Tripodski

Photographer: Tripodski

WHAT DO YOU LIKE MOST ABOUT ELITE? THERE'S SO MUCH TO LOVE ABOUT ELITE! I LOVE THAT YOU FEATURE SO MANY DIFFERENT MODELS, NO TWO ARE THE SAME! IT'S A GREAT SUPPORTIVE FAMILY AS WELL - GO TEAM ELITE!

FINALLY, IS THERE ANYTHING YOU WOULD LIKE TO SAY TO THE ELITE READERS? THANKS FOR HAVING ME GUYS, I HOPE YOU ENJOYED MY FEATURE AS MUCH AS I ENJOYED SHOOTING IT! KEEP READING ELITE, AND MOST IMPORTANTLY... STAY WEIRD!

JENNY F'N MILLER

Photographer: Tripodski

Hey Jenny! Welcome to Elite, tell us a bit about yourself: Hello again, I am a fire breathing, angle grinding show girl from London. I am also a Suicide Girl hopeful and I have recently signed with Famous Inked Models, which I'm really happy about.

What was it like to work with Tripodski on this shoot? Fucking awesome as always, he's such a great guy and we always have a laugh.

What was your favourite part of the shoot? Being naked on the balcony for everyone to see haha!

What's your favourite part of your body and why? At the moment my eyes. I'm enjoying playing about with make up a lot right now, I love using a lot of black as it makes my green eyes stand out.

What's your favourite item of clothing? I love my KILLSTAR holy shit bodysuit. I have worn it a few times on stage while I breath fire and I can just put a skirt on over it when I come off stage for a more casual look.

How did you come to become a model?

I have always loved being silly in front of a camera, my friends dad was a photographer and I shot with him when I was about 18 and that's pretty much where it started.

What's your favourite song currently?

Big Sean - I Don't Fuck With You.

If you could be any animal, what would you be?

I would be a skunk. I have a pet skunk called Wiz, he's a nutter and I would like to be able to communicate with him better, plus they sleep for almost 18 hours a day.

Describe your perfect photoshoot:

I really want to shoot in Las Vegas, I'm planning on going there again in August. I love all the lights and bright colours, I'm obsessed with Jeremy Scott - designer/ stylist and David LaChapelle - photographer, I love fun bright colours with an edge. I love glamour shoots, very provocative bold colours and a hint of trash.

If you could work with any photographer and any model who would it be with?

David LaChapelle, I'm obsessed with his work and have been for years, model wise I really don't know, I really like Ruby Rose but mainly coz I think she is fit ;)

What do you like most about Elite?

Boobs... Boobs are fun to look at... also bums I like bums haha. Also, there's always such positivity at their shoots!

Photographer: Tripodski

**WHY MODELLING? I'VE BEEN
MODELLING FOR SO LONG NOW,
I LOVE IT. I REALLY ENJOY
TRAVELING AROUND AND
MEETING NEW PEOPLE, MONEY
IS GOOD TOO!**

FINALLY, IS THERE ANYTHING YOU WOULD LIKE TO SAY TO THE ELITE READERS? YEAH! THANKS FOR TAKING THE TIME TO READ MY LIL' INTERVIEW AND MAKE SURE YOU FOLLOW ME ON MY SOCIAL MEDIA AND SUICIDE GIRLS!

Mieke Dockley

More than just a blonde bombshell

Hey Mieke! Welcome to Elite, what was it like to work with Tripodski on this shoot? I loved working with Tripodski, it was probably one of my favourite shoots this year! Everyone was so lovely and chilled. Ee shoot in Battersea in a really beautiful location.

What was your favourite part of the shoot? My favourite part of the shoot was how much fun the shoot was compared to other shoots! I think it showed in my pictures too.

What's your favourite part of your body and why? My legs are probably my favourite body part as they are naturally toned so I don't really have to worry about them.

What's your favourite item of clothing? Shoes! I love shoes. I dress quite plain, but I always invest in amazing shoes!

Why modelling? I started modelling as I'm a actress already and just felt like it could only help me to get more work if I got my kit off too.

Photographer: Tripodski

Photographer: Tripodski

**WHAT'S YOUR FAVOURITE
SONG CURRENTLY?
FAVOURITE SONG AT THE
MOMENT IS BANG THAT
BY DISCLOSURE, I LOVE
ALL HOUSE MUSIC.**

A blonde woman with long, wavy hair is posing in a white lace bikini. She is standing in front of a large window with white curtains, looking back over her shoulder at the camera. Her right hand is raised near her face, and her left hand is resting on her hip. The background shows a bright, out-of-focus view of a city or landscape.

If you could be any animal, what would you be? It would be a cute little dog so everyone would cuddle me and stroke me all the time.

If you could work with any photographer and any model who would it be with? Russell James would be a dream photographer to work with as his pictures are amazing and he shoots all the Victoria Secret girls! I would of loved to shoot with Pamela Anderson when she was younger as I think she was so sexy!

ROBYN BROOKE

Hi Robyn, welcome to Elite! What have you been up to? Thank you, it's a pleasure :) I have been a little busy shooting. When I'm not, I'm definitely on the X-Box attempting to kick ass!

What was it like to work with Hexxus on this shoot? It was so fun! He was so full of energy and a great laugh. There really wasn't a dull moment!

Who are the models you look up to? There are so many! But if I had to name a few.. Notonix, Rebecca Anne Latham and Natasha Kalashnikova... simply awesome ladies!

What was your favourite part of the shoot? Probably when we got going in the shoot and a really awkward song came on... I believe it was called 'Mother's day' by Blink 182 ... it was really inappropriate! I was in fits! haha.

Outside of modelling, do you have any other passions? I love gaming... possibly a little too much. I really need to get back into inline skating again and I love drawing and designing too.

If you could be one person for the day, who would you be and why? Possibly Ashton Kutcher... hell he gets to be with my dream woman!

Photographer: Hexxus Films

If you could be a superhero, who would you be and why? I'd probably be the Hulk... just suits me well ;) Haha.

Where's the worst place you've been? The worst? Oh gosh I don't know... can't say I like where I live! Haha *hides face*

What's your favourite film? Without a doubt- Big Hero 6! Baymax is adorable beyond words!

Do you have any crazy phobias? Moths... even pictures of Moths! My dad bought me a book of baby animals when I was younger... I saw a picture of a moth, screamed and threw it on the floor. That picture to this day still has duct tape over it!

IF YOU COULD BE IN CHARGE OF ELITE FOR ONE WEEK, WHAT WOULD YOU DO? ADD EVEN MORE GAME REVIEWS AND POSSIBLY SOME MORE NATURAL REDHEADS! WOO.

Photographer: Hexxus Films

So how can a guy impress you? Someone who dresses well and takes care of himself and someone who can hold a good conversation and a laugh goes down well with me :)

What is the naughtiest thing you do? Now that could be too naughty for you Elite ;)

What's your favourite fancy dress outfit? Sorry, nothing sexy... a 'Vault dweller' from vault 101 (for the Fallout 3 fans out there!)

WHAT'S A GUARANTEED TURN

FRANCESCA LOUISE

Photographer: Jack Russell

Photographer: Jack Russell

**HEY FRANCESCA! WELCOME TO ELITE,
WHAT WAS IT LIKE TO WORK WITH JACK
RUSSELL ON THIS SHOOT? AMAZING,
HE'S GREAT AND HE MADE ME FEEL
COMFORTABLE. HE MIGHT OF ALSO GOT
A VERY RARE SMILE OUT OF ME.**

What was your favourite part of the shoot? As much as he's ashamed he did it, we have a great image of me sat on the toilet eating and covering myself in squirty cream. That on its own was the most amazingly fun time.

What's your favourite part of your body and why? I've recently come to love my eyes, I'm sure you can't really tell in photos but sometimes they're real big.

What's your favourite item of clothing? I am always wearing crop tops, I'm not really sure I own anything else. I have a particular one which is a crop top polo with a little badge with 'Evil Bitch' written on it, which I'm totally in love with.

Describe your perfect photoshoot: I like to get messy, clothes or no clothes but making a mess is so fun to me. I can't sit around and pose, it does not come so naturally to me but throwing food at myself and genuinely having fun always makes a better photo.

If you could work with any photographer and any model who would it be with? I would really like to work with Scott Cole, his work is always amazing.

**WHAT'S YOUR FAVOURITE
SONG CURRENTLY?
WICKED GAMES BY THE
WEEKND. I HAVE ONE
OF THE BEST MEMORIES
WHICH THAT SONG
REMINDS ME OF.**

IF YOU COULD BE ANY ANIMAL, WHAT WOULD YOU BE? I'D BE A CROW, THEY'RE SO BEAUTIFUL. THEY DO WHAT THEY WANT TO, THEY'LL SHIT ON YOU THEY DONE GIVE A DAMN.

Hi Dolly, welcome to Elite!
What have you been up to? I've been all over the shop, literally. I travelled and shot in Australia for most of this year and this Summer I'm travelling around Europe to do the tattoo conventions.

What was it like to work with Jack on this shoot? Jack is 'da bomb' man! He's such a funny dude and we giggled so hard together. He's a pro.

Who are the models you look up to? That's super hard because I've been in different genres of modelling for years. I try not to look at what other chicks are doing so I can guide my own natural path. My idols are cara Delevingne and Adriana Lima.

What was your favourite part of the shoot? Dodging Jesus Phoenix the kitty being a crazy mo fo.

What's it like to be on the cover of Elite?
I'm on the blower to me mam already man!
Seriously though, I'm stoked.

Outside of modelling, do you have any other passions? I'm learning to rock climb and I'm travelling and hoping to climb some awesome shit over the coming months.

If you could be one person for the day, who would you be and why? Gandhi, because why the fuck not.

If you could be a superhero, who would you be and why? Thor, because everyone wants a big hammer.

Where's the worst place you've been? On a boat when it was rough sea and I was hungover to shit. Not good vibes.

What's your favourite film? Pulp Fiction.

Do you have any crazy phobias? I had a battle to the death with a huntsman in Australia... and nearly cried shooting up on ceiling beams just last week. I guess that means I'm scared of heights. Rock climbing is going to be an emotional time for me!

What's your favourite fancy dress outfit?
I once went to fancy dress as a dreaded Christmas pudding. I spooked a drunk guy out at the house party so much he refused to be in the same room as me. Or as an alien unicorn hybrid because I am one durr...

Photographer: Jack Russell

So how can a guy impress you? By not being a sleeze. Good conversation and a positive outlook along with being comfortable in your own skin.

What is the naughtiest thing you do? I steal peoples food when they aren't looking.

What's a guaranteed turn on for you? Food. Or Leonardo DiCaprio.

Photographer: Jack Russell

**IF YOU COULD BE IN CHARGE
OF ELITE FOR ONE WEEK,
WHAT WOULD YOU DO? I
WOULD RUN AN ISSUE ON
CATS AND FOOD PORN. YEP!**

Finally, is there anything you would like to say to the Elite readers? Every day get up and see what's around you and live it up before you're old and wrinkly as shit! I hope you enjoy my cover as much as I do!

KELLY KLEIN

Photographer: Tripodski

Hey Kelly! Welcome to Elite, tell us a bit about yourself: I'm a Page 3 girl, an occasional ring girl and I dabble in TV and film. Later in the year I'm going to be on the Dave channel with the mighty Hoff. I like to write with pen and paper far more than to type.

What was it like to work with Tripodski on this shoot? It was terrific, Mr. Tripodski works quickly and efficiently and he listens to his subjects too which is nice. His hip needs oiling though! Haha.

What was your favourite part of the shoot? Getting all wet in the shower and the opportunity to try on the Player 1 clothing swimsuits.

What's your favourite item of clothing? Red, Baywatch-style swimsuit.

Why modelling? I'm not very good at anything else. I can't swim, I can't drive, I can hardly see, I can't cook, I can't clean, I'm scared of most things. It's all that was left.

How did you come to become a model? I had an epiphany, quit being a Playboy Bunny and I landed here.

What's your favourite song currently? Sliver by Nirvana and Tijuana Lady by Gomez (I really like when he sings about his poncho).

If you could be any animal, what would you be? I would only be half an animal, I'd be a mermaid, then I'd still be able to shoot for Elite.

Describe your perfect photoshoot: Beachy, wild and sensual.

If you could work with any photographer and any model who would it be with? I'd love to take part in the Towel series with Mario Testino.

I admire many models, I don't think I could shoot with them because I'd be too in awe but I would happily stand in awe looking at Pamela Anderson, Rosie Huntington, Candice Swanepoel, Gisele, Brooke Shields, Daryl Hannah, Irina Shayk and Emily Ratajkowski.

What do you like most about Elite? The name, it projects the essence of the content. Also, I like the pages with me on.

Photographer: Tripodski

WHAT'S YOUR FAVOURITE PART OF YOUR BODY AND WHY? MY HEART TATTOO, SO MY LEFT WRIST. I GOT IT WHEN I WAS SAD AND IT MADE ME HAPPY.

FINALLY, IS THERE ANYTHING YOU WOULD LIKE TO SAY TO THE ELITE READERS? THIS IS NOT HERE. DON'T BE A HERO WITH COWARDS LEGS.

**WHAT'S YOUR FAVOURITE
PART OF YOUR BODY AND
WHY? OH GOD THAT'S
DIFFICULT. I WOULD PROBABLY
SAY MY EYES. THEY CHANGE
FROM GREEN TO BROWN
WHICH IS PRETTY UNUSUAL.**

Hey Rachel! Welcome to Elite, tell us a bit about yourself: I'm Rachel, originally from Cornwall! Recently relocated to London which is exciting...and a bit scary as I'm not used to the big city!

What was it like to work with Mermaidium on this shoot? It's always awesome to work with him. Our shoots are always so chilled out and we have such a laugh.

What was your favourite part of the shoot? We shot some bits down on the beach in Cornwall, it was such a beautiful sunny day.

What's your favourite item of clothing? My Timberlands. Mega comfy!

How did you come to become a model? My sister arranged a portfolio shoot for my 18th and I enjoyed it so much I worked with everyone I could to build up my book and eventually started getting paid and published work.

What's your favourite song currently?
Roads by Lawson.

If you could be any animal, what would you be? I'd be a snake. They're fearless.

Describe your perfect photoshoot:
I've always wanted to shoot at an old American Diner...rollerskates etc.

**IF YOU COULD
WORK WITH ANY
PHOTOGRAPHER AND
ANY MODEL WHO
WOULD IT BE WITH? I
AM TOTALLY IN LOVE
WITH RVDS AND TO
SHOOT WITH ELLIS
COOPER WOULD BE
PRETTY EPIC.**

What do you like most about Elite? I
love the variety of girls featured!

**WHY MODELLING? I'VE

IT'S ONE OF THOSE THINGS THAT
BUILDS YOUR CONFIDENCE.
MINE HAS DEFINITELY GROWN.**

JASMINE LOUISE JONES

Photographer: Tripodski

Hey Jasmine! Welcome to Elite, tell us a bit about yourself: Hey! Well I'm Jasmine Louise Jones A.K.A JLMUA, alt modelling and cruelty free make-up artistry are my thing. I haven't been modelling long in my eyes but I'm loving it and all the lovely people I meet from it.

What was it like to work with Tripodski on this shoot? AWESOME, I felt so relaxed on this shoot and had lots of giggles!

What was your favourite part of the shoot? I loved taking instax photos in between normal shots <3

What's your favourite part of your body and why? I am a very self critical person, so this tricky but boobs I guess. Because everyone loves boobs... even though I would like a boob job.

Why modelling? Modelling makes me a more confident person. I get to meet so many talented lovely people, and it can just be so much fun.

Photographer: Tripodski

**WHAT'S YOUR
FAVOURITE ITEM
OF CLOTHING?
HAD TO BE MY
KILLER PLATFORM
HIGH HEELS.**

Photographer: Tripodski

WHAT DO YOU LIKE MOST ABOUT ELITE? ELITE IS JUST FUN AND FILLED WITH GORGEOUS PEOPLE! YOU GUYS ARE SO FRIENDLY AND A PLEASURE TO WORK WITH.

Photographer: Tripodski

How did you come to become a model?

It's all thanks to Joseph O'Brien the photographer. Just over a year ago he got me in front of the camera, instead of always being behind it. Since posting our first shoot, I had such a positive response and people started asking me to work with them and it just went on from there.

What's your favourite song currently?

Hmm that is a tricky one as I love so much music... it depends on my mood but I'd maybe go with 2nd Sucks by A Day To Remember.

If you could be any animal, what would you be?

I love animals! So this is hard too, hmm stuck between black panther or raven. I love the idea of the fierceness of a black panther and they can be sexy/sassy. Or do I go for the beauty and intelligence of a raven, not forgetting they can fly!

Describe your perfect photoshoot:

A creative arty and sexy theme, where I get to do anything a bit different or new to me, modelling alongside someone awesome, get to wear some cool outfits and given lots of tea ;)

If you could work with any photographer and any model who would it be with?

That is tough as I love so many models and photographers. I think a dream would be to work with someone like Dita Von Teese, and I actually think I would love Joseph O'Brien to shoot it :P

Hey Sherelle! Welcome to Elite, tell us a bit about yourself: Hey, it's good to be back! Well I'm an outgoing, free spirited kind of girl obsessed with tits and tats haha!

What was it like to work with Tripodski on this shoot? The shoot with Tripodski was amazing. It was a super cool location with a very talented guy. I can't wait to shoot with him again and hopefully make another appearance in Elite very soon!

What's your favourite part of your body and why? Probably my stomach, because it's the only part of my body that stays toned without having to put in hard work.

What's your favourite item of clothing? I'm obsessed with crop tops, I think I own at least 50 of the same style.

Why modelling? I've always been a massive poser, I just really enjoy being in front of the camera and seeing the final images at the end of a shoot.

How did you come to become a model? I got scouted when I was 15 for a beauty pageant so I got into it that way.

If you could be any animal, what would you be? Probably a shark, I'd quite like being the alpha male of the sea!

**WHAT'S YOUR
FAVOURITE SONG
CURRENTLY? THAT HAS

Describe your perfect photoshoot:

Literally just get a shit load of pizza, few crates of beer, tunes on in the background and just be able to do my thing in front of the camera...I prefer laid back photoshoots, the photos always turn out better.

If you could work with any photographer and any model who would it be with?

Erm, Alec Fasani in London because I love his work. And as for the model, would have to be Rebecca Fox because she is drop dead gorgeous!

Hi Laika, welcome to Elite! How did you enjoy the shoot? The shoot was awesome, as always!

What was it like to work with Tripodski on this shoot? It was so much fun, he's still my favourite photographer!

What was it like to work with Beth? Beth is an absolute babe and I'm lucky enough to have shared a shower with her for the shoot!

WHAT'S BETH'S BEST FEATURE? SHE HAS THE BEST BOOBS!

What's your best feature? I've been told my butt, but I'll let you guys decide ;)

What was the funniest thing to happen at the shoot? Haha, well there was lots of popcorn involved at one point... and it got in so many places it shouldn't have!

SO HOW CAN A
GUY IMPRESS
YOU? BEING
A LITTLE BIT
CHEEKY AND
CONFIDENT..

Outside of modelling, do you have any other passions? I've always loved skateboarding, I'm definitely spending more time doing it this Summer!

Who has been your favourite model of 2015 so far? I absolutely love Becky holt for obvious reasons!

What is the naughtiest thing you've done? I had to get butt naked for a photoshoot outside McDonalds at 2AM... it was a 24 hour place so plenty of people saw!

WHAT'S A GUARANTEED TURN ON FOR YOU? I'M A SUCKER FOR A NICE SMILE..

Beards - Yes or No? It's a no... sorry!

What's the worst idea you have ever had? Haha! There are too many to pick just one!

Finally, is there anything you would like to say to the Elite readers? Thanks for having me! Love you guys.

Hi Beth, welcome to Elite! How did you enjoy the shoot? It was super wicked awesome! I always love shooting with my favourite boys and also my ladies.

What was it like to work with Tripodski on this shoot? As always a super pleasure, he has such a unique style that you can notice from a mile away!

What was it like to work with Laika? She's my Scotch bonnet. I love her and shooting with her is always loads of fun!

What's Laika's best feature? Assssssss! Like come on look at it! You can't miss it!

What's your best feature? I'd say my legs but only because I love all the artwork on them so they've become more of a centre piece!

What was the funniest thing to happen at the shoot? Laikas and my kinky snapchat for the shower set was just a bunch of laughs!

Outside of modelling, do you have any other passions? Snowboarding and working for festivals! I also collect tattoos from all over the world :)

So how can a guy impress you? Put the toilet seat down and make the first move.

Who has been your favourite model of 2015 so far? Rebecca (Beckah Latham) she's just endlessly progressing and with all her success this year she just never stops to impress me more!

THE BELLE OF THE BALL

Photographer: Tripodski

Hey Belle! Welcome to Elite, tell us a bit about yourself: Hey there! Well, I'm Belle! I'm a UK based fashion and alternative model with a flare for the beautiful and bizarre. I have been described as 'a natural beauty with a gothic elegance that helps radiate her winning personality'... I liked that.

What was it like to work with Tripodski on this shoot? It was fantastic! I've admired Tripodski's work for a long time now, so it was brilliant to finally collaborate with him. He is such a laid back, comical guy with excellent taste in music and food! I hope we can shoot again some day.

What was your favourite part of the shoot? I was really excited to catch up with the editor and work with Tripodski! So during the shoot we shared some laughs and restaurant advice - which is always the fastest route to a girl's heart! Plus we created some kick-ass images that created the perfect end to a marvellous day!

What's your favourite part of your body and why? This is an incredibly hard question. I'm not certain, but I'd probably go with my eyes! Just think how many times a girl has made you tingle and quiver with just a single glance.

What's your favourite item of clothing? It's a tough decision! Do harness bras count? As I am addicted to harness lingerie and anything inspired by fetish fashion! They can transform mundane outfit into a heavily sexualised ensemble with such ease! My favourites include o-rings and soft, satin lace.

Why modelling? I never had much confidence or self-belief growing up, so being able to help create beautiful and artistic images is extremely therapeutic and it's my main artistic outlet! It's so exhilarating to get lost in a character you are portraying and using that passion to represent brands that I work for.

How did you come to become a model?

I always dabbled in PR and commercial modelling as far back as I can remember, but really found a flare for fashion, alternative and creative work in my late teens. It was after I was approached by several local clothing companies and shops who 'loved' my style and knew I would rock their wears with passion!

If you could be any animal, what would you be? I would have to say a bat! They're beautiful, gracious and I'd love nothing more than to be able to fly as swiftly as they do. It would also be the closest I could get to becoming a vampire!

Describe your perfect photoshoot:

My perfect photoshoot would have to centre around transforming me into the ultimate vampire queen. Maybe with some latex, lace and fetish-inspired fashion incorporated into the 'look'. Then I could look at the images every day and pretend that I was really a gracious, terrifying and beautiful vampire in a past life!

If you could work with any photographer and any model who would it be with? Oh gosh! There are so many! I've been lucky enough to work with some of my idols to date (including Lusy Logan and Becky Holt) but it really would make me squeal with excitement if I ever got the chance to collaborate with Romanie Smith or Kristen Leanne! There are too many photographers to list, but I would leap at the chance to create some obscure fashion with Tim Walker!

Finally, is there anything you would like to say to the Elite Readers? Stay beautiful and keep your fingers crossed for me, so that I one day may have that perfect photoshoot! It'll mean vampire-fuelled excellence for you all!
